Dear Sports Chalet:

Thank you very much for your generous contribution of \$100 to the Region ____ BU-12 team, the "Blues Brothers."

The American Youth Soccer Organization (AYSO) is a non-profit youth organization founded in 1964. This organization promotes fitness, good sportsmanship, self-esteem and teamwork in our youth between the ages of 4 and 18 years. By offering our youth a fun after-school and weekend activity for players and their families, AYSO gives our youth a positive place to direct their boundless energy.

In Region _____ alone there are more than _____ players who participate in several different programs. One of those programs is our Secondary Season Tournament teams. These teams are self-funded in that they purchase their own uniforms and pay entry fees to the tournaments they chose to participate in as well as all travel costs incurred. A tournament team chooses the tournaments they wish to participate in, and can be as local as (your town or city name) or as far away as Hawaii or New York. Your contribution will help to defray some of these expenses.

AYSO is a tax-exempt organization (Tax ID #95-6205398). This letter will serve to confirm that you received no goods or services in exchange for your contribution(s) indicated above.

If you have any questions or need further information, please feel free to contact me. Once again, thank you for your support!

Sincerely,

Jane Doe
Director of Tournaments
