Player Development

AYSO is a national nonprofit youth soccer program whose mission is to develop and deliver quality youth soccer programs which promote a fun, family environment built on the foundation of our Six Philosophies.

AYSO's Six Philosophies separate AYSO from other sports organizations. These tenets were created to provide a positive, fair and fun soccer experience for all our players.

EVERYONE PLAYS®

AYSO's goal is for kids and adults to play soccer, so we mandate that every player on every team must play at least 50 percent of every game.

BALANCED TEAMS

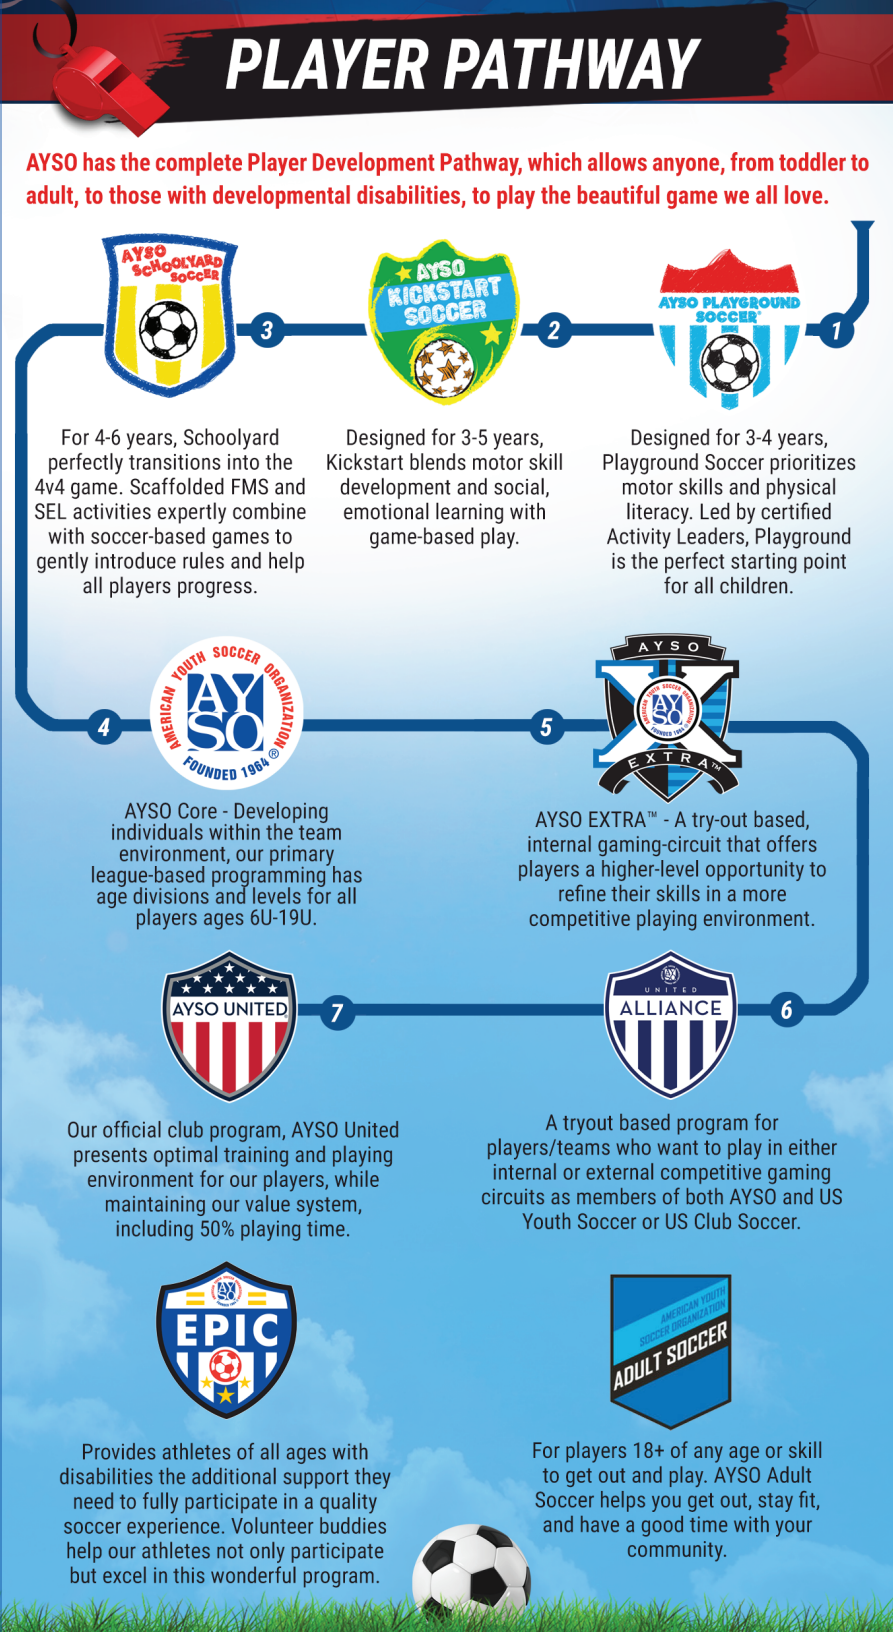

Each year we form new teams as evenly balanced as possible, providing a stronger learning experience for teams as they play teams comprised of similar ability. It also allows for each player to experience playing with a wide variety of teammates of different skill levels.

OPEN REGISTRATION

If you want to play soccer, AYSO welcomes you and gives all youth and adults the opportunity to register and play.

POSITIVE COACHING

A coach can be one of the most influential people in a player's life, so AYSO requires they create a positive experience for every player. Additionally, encouraging player's effort leads to greater enjoyment, improved skills and stronger motivation in players.

GOOD SPORTSMANSHIP

We strive to create a positive environment based on mutual respect rather than a win-at-all-costs attitude, and our programs are designed to instill good sportsmanship in every facet of AYSO.

PLAYER DEVELOPMENT

All players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, to maximize their enjoyment of the game.

AYSO PLAYER PATHWAY

AYSO's "child first" approach with age appropriate, small-sided games makes it one of the finest athletic programs in the world. Development over winning is fundamental in AYSO as we strive to create a genuinely holistic experience.
