### RECOMMENDED MOTION LANGUAGE:

That the AYSO National Board of Directors award the 2025 National Games to Section 11 to be held at the Great Park in Irvine CA.

### BACKGROUND:

Sections 11 and 2 expressed interest in hosting the 2025 AYSO National Games. Section 11 successfully hosted the Games this past July at the Great Park in Irvine CA. After discussion by the Section 2 leadership, they have decided to defer until a potential proposal for the 2027 Games.

**DISCUSSION:**

Hosting a National Games is a significant effort. Section 11, under the leadership of SD Audrey Castreje demonstrated the ability to host a successful volunteer managed event and have offered to do so again in 2025. For the 2023 Games, Section 11 submitted a comprehensive proposal that staff has determined would suffice for the 2025 Games and will be updated as new rates for the venue and services are determined. The National AYSO organization provided minimal direct support. We will have further discussions with Section 11 as to the support desired for 2025 and will advise the NBOD of any financial impacts to the National Budget.
